

Anas Hussain

Anas_hussain1997@yahoo.in | +91 99710 38969 | New Delhi, India

PROFESSIONAL SUMMARY

Detail-oriented and tech-savvy Web Developer with a Master's in Computer Applications and hands-on experience in full-stack development using React, Next.js, and Node.js. Proven track record in optimizing business operations and customer engagement through effective digital solutions and platform management. I am skilled in handling both frontend and backend technologies, user authentication systems, and database integration. Adept at working in dynamic, fast-paced environments, with additional experience in client communication, hospitality technology, and online booking platforms. I am passionate about learning new technologies and building intuitive, user-focused applications.
